Patient: **Dennis Geier**  
Date of Birth: **9/20/1954**  
Date of Visit: **12/15/2021**

To Whom It May Concern:

It is my medical opinion that Dennis Geier 9/20/1954 will need further cardiology intervention that will require hospitalization. Mr. Geier will require parental guardian to care for son while hospitalized for cardiology procedure as soon as possible.

If you have any questions or concerns, please don't hesitate to call.

Sincerely,
